―THRIVE is great for any level of athlete. There are a lot of ways you can use THRIVE to train for a race, improve overall fitness or be more active with friends and family.―

JULIE WHITE, SPARTAN RACER

―For more than a decade I’ve led an outdoor Boot Camp and trained elite athletes. I’m continually looking for ways to help people progress in their fitness goals, become a better version of themselves and THRIVE in every area of their lives.―

YANCY CULP, ELITE OCR TRAINER AND FOUNDER OF YANCY CAMPS

―The [THRIVE] equipment is top-notch. I don’t think we could have done better. The equipment gets used every day by a diverse group of students, staff, faculty and retirees. We are looking to add additional pieces in the future due to the popularity of the equipment.―

TODD HAMMONDS, ASSOC. DIRECTOR OF ATHLETICS AND RECREATION FACILITIES - UNIVERSITY OF CALIFORNIA SANTA CRUZ
As part of an all-new and comprehensive outdoor recreation space at Virginia Tech University, THRIVE 900 provides students and faculty with a wide range of fitness and training opportunities in a compact space. The City of Ocala, Florida has long been a pioneer in providing opportunities for our citizens to lead active, healthy lives. The GTfit Fitness Park at Jervey Gantt Health Trail is an example of how Ocala is continually moving fitness forward to create a better way of life for our families.

JULIE JOHNSON, PARK OPERATIONS DIVISION HEAD - CITY OF OCALA, FLORIDA

“Our CrossFit gym is so pumped about being able to use this outdoor equipment day in and day out. From pull-ups to more advanced gymnastics moves, we are able to challenge our fittest athletes and accommodate our beginners. GTfit hits it out of the park.”

MIKE ALLEY, OWNER - GETBUILT CHATTANOOGA CROSSFIT

Incorporating all five elements of fitness is critical for overall health and well-being. GTfit products provide a functional way to integrate all five elements into a well-balanced fitness program. They are durable, well-made and can be installed in almost any public space to introduce a solution for community wellness.

DR. GARY LIGOURI, PHD, COLLEGE OF HEALTH SERVICES DEAN - UNIVERSITY OF RHODE ISLAND
The fitness area at Ken Malloy Regional Park features a full range of GT fit equipment for users of all abilities and fitness levels. From beginners to advanced athletes, the park offers opportunities for adults to train alone or in a group, setting goals while your community achieves its health and wellness goals with GT fit!

Flexibility
Exercises that enhance flexibility can improve posture, strength and overall physical performance.

Balance
Studies show that one of the leading causes of injuries is a lack of balance, particularly as we grow older. GTfit includes products specially designed to enhance balance - a key element in enhancing overall fitness.

Budget-Friendly Surfacing
Optional Packages
In some instances, safety surfacing is not required for outdoor fitness equipment. Ask your Game Time representative about equipment packages that do not require users’ feet to leave the ground. With such a configuration, ASTM standards regarding safety surfacing do not apply.

By working with your Game Time representative, you can design an outdoor fitness park that meets your needs and budget.

Outdoor Adult Fitness Parks

Presented by PLAYCORE
“This is like America Ninja Warrior meets the NFL Combine. Children and families really love it, and studies show healthy and active students are more alert in the classroom, which supports the importance of providing children with resources like the challenge courses.”

RILEY FIELDS, DIRECTOR OF COMMUNITY RELATIONS, CAROLINA PANTHERS

“Outdoor Adult Fitness Parks can play a vital role in motivating people of all ages and levels of fitness toward achieving a healthier, more active and more productive life.”

DR. MICHAEL SUK, CHAIRMAN OF ORTHOPAEDIC SURGERY - GEISINGER HEALTH SYSTEM DANVILLE, PA

“The GameTime Challenge Course has provided our school with challenging, fun, accessible, low maintenance safe physical activity options outside of normal Physical Education.”

CHRISTIAN WARREN, LEAD PHYSICAL EDUCATION TEACHER - CHARLOTTE/MECKLENBURG SCHOOL SYSTEM
Schaper Park
Golden Valley, Minnesota

With a two-lane 40-yard dash, professional grade synthetic turf and precision timing systems, the Challenge Course at Schaper Park is an exciting community destination for active fitness and wellness. Eleven obstacles make up the course and are designed to enhance a user’s balance, strength, and agility in an environment that keeps people coming back again and again.

Select the Challenge Course model that fits your space. Model numbers correspond to the approximate square footage required (i.e. 3000 series requires 3,000 square feet).

1. Choose Your Course
   Select the series that is appropriate for your users. Challenge Course Youth is designed to meet playground equipment standards for users ages 5-12. Challenge Course Pro is designed for indoor use.

2. Youth or Pro
   GameTime offers three surfacing options for your Challenge Course: GTImpax synthetic turf, poured in place rubber or engineered wood fiber.

3. Select Surfacing
   Choose accessories like timing systems or a 40 Yard Dash to complete your course!

4. Level Up
   Add an instructional sign that illustrates how to navigate the course, describes the use of each challenge and outlines its benefits.

   • Add a double-lane 40-yard dash with precision timing system for fun and friendly competition. It’s perfect for all ages and 100% accessible.

   • GameTime offers a turnkey approach to designing and installing your Challenge Course with professional-grade timing systems.

   • Your community Challenge Course is a unique destination.

GameTime offers a wide range of sports equipment to provide additional recreation opportunities for children, adults, and families. Our sports equipment is built for high-demand use areas and backed by the industry’s leading warranty.

“GameTime helped us design a volleyball and basketball area to complement our new playground. The site is popular with local residents and visitors and creates a complete recreation space for the entire family.”

Dan Huncke, Director of Parks and Recreation, Avalon, CA

“The new basketball goals in the park are perfect for the older children who want to play a pickup game after school or on the weekends. It’s great to see them playing basketball while their younger brothers and sisters are playing on the playground.”

Robert Simone, Resident, Milwaukee, WI

“We work with GameTime on our school playgrounds. When we needed new football and soccer goals, it was very convenient to work with someone we already know and trust.”

Chris Neighbors, Facilities Manager, Silverdale Academy, Chattanooga, TN
