LIFE'S INTERMISSION

site furnishings & park amenities
At UltraSite, we take pride in providing communities the opportunity to enjoy life’s intermissions – a slight pause from a busy lifestyle. UltraSite’s brands of site amenities, shades, shelters, dog parks and outdoor fitness products are the superior choice that provide a low maintenance, durable solution for any outdoor recreation location. We have been standing behind our products for nearly 20 years so that you can watch the sunrise, grill out with your family, or just have a nice place to relax while the kids are playing. We hope that UltraSite can join you as you build your next intermission.

7 REASONS TO CHOOSE THE SUPERIOR PERFORMANCE OF ULTRACOAT
UltraCoat is a premium thermoplastic coating by UltraSite® with superior adhesion that creates a seal-tight bond to the metal surface and ensures a smooth, shiny finish without the use of PVC.

- Superior Adhesion
- Resistance to Cutting and Vandalism
- Environmentally Friendly
- No Runs or Drips
- Easily Repaired
- Smooth Finish Prevents Mold and Mildew
- UV Protection

NATURAL COLLECTION

ULTRACOAT® EARLYCHILDHOOD

ULTRACOAT® THERMOPLASTIC COLORS
- Superior Adhesion
- Resistance to Cutting and Vandalism
- No Runs or Drips
- Smooth Finish Prevents Mold and Mildew
- Easily Repaired
- UV Protection
- Environmentally Friendly

STANDARD POWDER COAT COLORS

The steel framework used in the UltraCoat® product line delivers one of the industry’s most durable protective coatings. UltraSite® further enhances the durability by applying a superior powder coated finish. The process provides three layers of protection from harmful environmental elements, with very little maintenance.

## Receptacles & Planters

### SQUARE RECEPTACLE LIDS

- Fits our 32 gallon square receptacles
- 14 gauge
- All MIG welded frame (AUR & RBR)
- See page 82 for round receptacle lids
- Thermoplastic coated
- See page 99 for color options

### RECEPTACLE MOUNTING KITS

All trash receptacles are portable and can be converted into either inground (IG) or surface mount (SM). Kits fit 32, 36, and 55 gallon receptacles. Sold separately:

- 2-3/8” O.D. all MIG welded pipe
- Powder coated black finish

### PL | RECEPTACLE LINER

- Liner fits most of our 32 and 55 gallon trash receptacles.
- 32-Gallon measures 21-7/8" wide x 27-1/2" tall
- 55-Gallon measures 23-3/8" wide x 31-3/8" tall
- Heavy-Duty Plastic
- Sold separately unless noted

### CABLE | 18” CABLE

Cable is sold separately. Specify cable when ordering lid and receptacle.
- Attachment is used to keep the lid and trash receptacle permanently connected
- 3/32” diameter braided cable

### CUSTOMIZATION AVAILABLE!

### 20/21 | RECYCLED BENCH WITH BACK

- Available in 6’ or 8’ lengths
- Series 20 has six 2" x 4” recycled plastic planks
- Series 21 has four 2” x 6” recycled plastic planks
- All zinc plated hardware
- Portable only
- Available in 3 plank colors: cedar, green, grey

### 22 | RECYCLED BENCH WITHOUT BACK

- Available in 6’ or 8’ lengths
- Three 2” x 4” recycled plastic planks
- All zinc plated hardware
- Portable only
- Available in 3 plank colors: cedar, green, grey

### 26 | RECYCLED PICNIC TABLES

- 41-1/2” hexagon table
- Recycled plastic planks and frame
- All zinc plated hardware
- Portable and/or surface mount
- Available in 2 plank colors: cedar or green

### 24 | RECYCLED PICNIC TABLES

- Available in 6’ or 8’ lengths
- Optional 8’ ADA version
- Recycled plastic planks and frame
- All zinc plated hardware
- Portable and/or surface mount
- Available in 3 plank colors: cedar, green, grey
### 682 | GALVANIZED TRASH RECEPTACLE

The galvanized trash receptacles and lids can be ordered separately or with inground post and holder(s).

- 3-1/2” O.D. Post
- 1/2” Steel Bar
- 9” O.D. Adjustable Collar
- Portable (P) or inground (S)

**758 | ULTRASITE® UMBRELLA**
- Anodized aluminum pole with 3-position tilt
- (8) 3/8” diameter zinc plated steel spring wire
- Your choice of manual or crank lift
- Alternating color panels available with upcharge
- Umbrella post diameter 1-5/8” O.D.
- Umbrella holder (01-04-0484) sold separately
- See page 73 for color options

**7GC | ULTRASITE® UMBRELLA**
The unique fiberglass support rib construction ensures strength, resilience, and durability and holds up to the harshest weather conditions—intense sunlight, high winds, salt air, and driving rain—and will not decay or lose its shape. Our flexible fiberglass ribs absorb wind gusts without breaking and last four to five times longer than traditional steel or wood ribbed umbrellas.

- Two piece post construction
- (6) 3/8” diameter fiberglass ribs
- Each umbrella weighs 15 lbs. (plus packaging)
- Molded nylon joints and rod tips
- 0.065” thick aluminum post
- Umbrella post diameter 1-1/2” O.D.
- Anodized and powder coated finishes
- Top with valance in vinyl coated weave only
- Alternating colors are not available
- Umbrella holder (01-04-0484) sold separately
- See below for color options

WARRANTY & TERMS

7-YEAR LIMITED WARRANTY
7-Year Limited Warranty on super durable and powder coated elements. UltraSite® guarantees all items for one full year to be free of defects in workmanship or materials when installed and maintained properly. We agree to repair or replace any items determined to be defective. Items specifically not covered by this warranty include vandalism, man made or natural disasters, lack of maintenance, normal weathering or wear, and tear due to public use.

ORDER INFORMATION
When ordering please include a brief description of all items. Be sure to include colors for UltraCoat® and powder coated surfaces. To assist UltraSite® in entering orders properly, please fax, mail, or e-mail orders on your standard purchase order form. Quotes are good for 30 days.

GSA CONTRACT
GSA pricing is available on several items. Contact our sales department for specific information at 1-800-458-5872.

SPECIFICATIONS
Due to UltraSite’s continuous product improvement, we reserve the right to change product specifications when necessary without notice.

PRICING
UltraSite® strives to keep pricing as low as possible. However, should we encounter increases in our costs that are too large to absorb, we reserve the right to increase prices without notice.

TERMS
Approved accounts net 30 days. Initial order requires payment in full before shipment. A finance charge of 1-1/2% per month will be applied to all delinquent accounts. We accept: VISA, MASTERCARD, DISCOVER

7-YEAR LIMITED WARRANTY
Terms of sale are F.O.B. factory. UltraSite® will prepay and add the freight to the invoice if requested to do so. All weights are approximate.

DAMAGES
Damages or loss in transit is the responsibility of the carrier, whether visible or concealed. It is the responsibility of the recipient to assure that the order is received complete. Before signing the delivery receipt, inspect the shipment immediately and completely. Note any damages or shortages on the bill of lading. Damage reports must be filed within 5 days. UltraSite® is NOT responsible for damages or loss in transit. Title to all goods passes to the customer at the time of shipment. UltraSite® will assist in filing claims if the freight arrangements were made by UltraSite® at your request.

CANCELLATIONS AND RETURNS
Cancellations are only accepted with pre-approval from UltraSite®. No merchandise shall be returned without a Return Goods Authorization number which is issued by customer service. Any authorized merchandise must be carefully packed and received in saleable condition. A restocking charge of up to 25% will be applied to all returned goods when the error is not the fault of UltraSite®. All returns must be shipped freight prepaid.

NATIONWIDE INSTALLATION
We offer affordable delivery and installation pricing in the continental USA. Any zip code, anytime!

- 12-gauge sheet steel

**COLOR GUIDE**

**ULTRACOAT® THERMOPLASTIC COLORS**
- Superior Adhesion
- Resistance to Cutting and Vandalism
- No Run or Drips
- Smooth Finish Prevents Mold and Mildew
- Easily Repaired
- UV Protection
- Environmentally Friendly

**STANDARD POWDER COAT COLORS**
The steel framework used in the UltraCoat® product line delivers one of the industry’s most durable protective coatings. UltraSite® further enhances the durability by applying a superior powder coated finish. The process provides three layers of protection from harmful environmental elements, with very little maintenance.

**PREMIUM POWDER COAT COLORS**
- Additional upcharge

**HOT-DIP GALVANIZED**
- Galvanized both inside and out
- Superior four-layer adhesion bond
- Excellent abrasion resistance
- Provides cathodic protection to the underlying steel
- Increases the useful life of steel
